 - Scholarship Update – Susan and Ana went and reviewed the candidates. Sean Winekoff, Brook Casler, Jessica Bell, Christina Erdelyi were selected to receive \$250 scholarships. Susan will make the presentation during the scholarship award ceremony in May
 - Discussion re: Fields charges – The school system is going to charge \$5 per hour for use of the fields at Monterey and San Benito. There was discussion regarding pushing one field's practice schedule to Paloma but the board decided not to go in that direction. Decided to keep the field usage limited to Monday through Thursday with both Monterey Road and San Benito and three hours each day. We will also “grey box” Monday practices to see if we can drop that, too.
 - Website – there have been issues with the site not being updated in a timely manner. The site will be moving to a new server which will make the content management system easier to handle. This should take place within the next month or so.
 - Updated Board list – passed around and edited. Will be issued to the board.
