## IV. Announcements

## V. Directors' Reports

### Commissioner – Susan Corbin

- Family Soccer Evening – September 9, 2009 5:30pm-7:30pm. Everything is looking good for this event. Cal Poly will attend.
- Cal Poly Coaches Clinic – Saturday, August 1, 2009 from 4-6pm at Paloma Creek
- Reviewed team selection process policies and set dates, place and volunteers to participate. Team selection will be finished before the 15<sup>th</sup> of August.

### Vice-Commissioner – Carrie Ragain

- Picture Day – is there any need to reserve the space? This will save \$150 and the city feels there is no need. Carrie will just contact the city to discover if anyone else has reserved the Gazebo. If so we will find an alternate space at the lake park.
- General Calendar was submitted for review.
- A Coaches Information sheet will be provided to the coaches. A sample was distributed. It gives basic information to the coaches explaining basic calendar events during the season.
- Game schedules for U5-U12 will be done by John Buerger and will be distributed no later than September 4, 2009. Teams will be constructed in early August.
- There is still a possibility that we will compete with Templeton at the U12 level. There was also a question whether or not we would invite Templeton to participate in our End-of-Season tournament or whether would we even have a tournament at the U12 level. This will be determined as we get to the start of the season.

### Treasurer – Lita Rojas

- Submitted for approval: Balance Sheet and Comparative P&L; Check Register (Checks 5457-5464) Lita Rojas, Kristina Fleming - APPROVED

### Registrar – Ana Muniz

- Update re: registration numbers – 660 registrations, 40 of which were late applications.
- Update re: Live Scan – We are challenged with Coris showing coaches as NOT having gone through Live Scan even though we KNOW they have. Also multiple entries within Coris for the same coach with some entries being scanned and others not. There will be a couple dozen going through the Live Scan again this Thursday, July 9 at the Colony Park Community Center.

### Director of Referees – Jeff Weit

### Director of Coaches – Mario Perez

- Mario Sent out the instructional manual for review. It includes a sample training plan. Suggested some rephrasing especially regarding small sided games and supplemental items for first aid. So far workbooks for U5-U6 and U8 are distributed for comment. U10 and above are to follow.

Minutes – July 7, 2009

- A nutrition section will be added as well as a Glossary of Terms. The focus for all points is to standardize the development of players through the various ages. The more consistent we can be with our coaching and instruction, the more successful will be their development.
- Mario requested some background regarding team sizes since our format differs from what is recommended by the NSCAA or even Cal South. We will look into changing the format in future years (which will require more teams, coaches, sponsors and fewer jerseys per team).
- Mario sent through more information with links to be added to the coaching page on the website.

## **Director of Sponsors – Nelson Kobata**

- Sponsor Update – 43 Sponsors so far with verbal commitments from 15 more.
- Uniroyal Tire Promotion – will be run through The Tire Store in San Luis Obispo. Would also include some rebates to the league for purchases made by our players' families.
- Still trying to find the plaque from last year for McGaughey Chiropractic. Board members will try to find the coaches and track down that plaque.

## **Director of Fields – Pat Johnstone**

- Everything is in. Once we have the teams he will assemble the coach bags. Mark Simonin will be helping Pat this year on fields.

## **Director of Purchasing – Kristina Fleming**

- Equipment and uniforms are in and waiting for imprinting at Iced Tees.
- Coaches T-Shirts – Extreme Soccer has the best price at \$6 so we will order those shirts. The logo will be on the front and “COACH” will be on the back. Directors will ask their coaches about shirt sizes.

## **VI. Divisional Directors**

### **Director of Boys – David Gabler**

- Question regarding having to fill out an Administrator Application if they have coached previously. Technically that is still required for each year and each coach.

### **Director of Girls – Christy Gabler**

### **Instructional U8 – Kris Wendorff**

- We need to know from Ana if there are any coaches that are also coaching at an older age level.

### **Instructional U6 – Emilie Foster**

## **VII. Old Business**

## **VIII. New Business**

## **IX. Meeting Adjourned – 8:37 pm**
