 - Survey Monkey survey re current season. John will try to find the survey from last year. Emilie will put posters.
 - Website: Directors can access the administrator site. John issued the username and password and invited directors to hunt around and see what they want to do. Also the information can be posted quickly by creating a Twitter Tweet which is automatically updated on the website.
 - Discussion re: Board Dinner. We haven't had the option the past couple of years but it has been done in the past. It was decided that the money could be more effectively used elsewhere.
 - Open Board positions for next year – Vice Commissioner, Treasurer, AllStars-Tournament Director, Purchasing, Fields, U8 Director. To be posted on the website.
 - AYSA Strategic Plan 2009-2012 (Tabled from October meeting) – Discussion regarding the makeup of the Coaches Committee (to include the VC, Director of Coaches and Director of Refs) as well as communication channels that must be maintained in the review process. The section regarding the creation of committees needs to be reworked and reworded. Changes will be made and disseminated for review prior to the December Meeting.
 - Vice-Commissioner – Carrie Ragain**
 - Freeze – we continue to focus on getting AYSO teams to participate.
 - All-Stars – we have 8 teams this season (as opposed to 5 last year). Tournaments are the first three weeks in December. A fourth tournament is to be determined.
 - All Stars Budget – will be submitted electronically for review.
 - Pictures for the banner voting will be distributed this week by email so we can vote.
 - Treasurer-Lita Rojas**
 - Registrar-Ana Muniz**
 - Still have a couple of coaches that have been live scanned but not approved. A number of the problems from last month did get cleared through the Department of Justice. A couple more were delayed in approval although Cal South put them into the system anyway logged as “Status not approved” but with an approval date (which was understood to mean given a temporary approval)
 - Director of Referees – Jeff Weit / Assistant DOR-Cindy Townsend**
 - There seems to have been an increase in inappropriate behavior towards the referees. We may have to visit the field marshal concept for next year. There was other discussion of referee issues including communication between refs.
 - Director of Coaches-Mario Perez**
 - Coaching Orientation: 11/7 & 11/21 – 10:00am-11:30am
